Photographs of the Workman and Dare families are from the collection of Edna (Workman) Davis. She gathered these images over the years from family members. Photo of young Al provided by Diana Bulls. All other images are from publicly available sources as referenced below. The Library of Congress and National Archives provided many of the images. Wikimedia Commons served as a useful access point for digital images. Newspapers were primarily accessed through the California Digital Archive and Newspapers.com. Maps are from the extensive David Rumsey Collection.
